YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Drawn, then built.

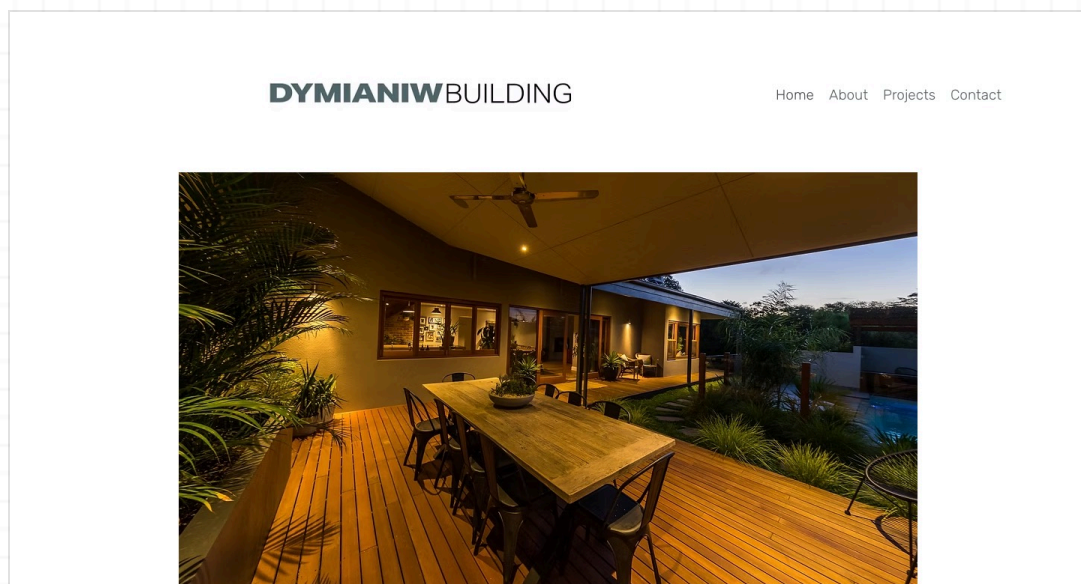

Option 1 puts one of your finished houses on a single board, half pencil drawing, half the real cedar house in the sun. Drag the carpenter's pencil with your name on it, and the house goes from drawn to built.

02 Your own jobs, shown properly.

Every option is built on photos from your Projects page. Option 2 lays your pergola courtyard across the whole screen, option 3 is a pile of your job prints to flick through, and option 5 hangs the crane hook from your framing photo.

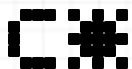

03 Your story, in your words.

Option 4 runs "Red Deer born" through a doorway onto your deck at dusk, from your About page: born and raised in Red Deer, years on Vancouver Island and in Australia alongside fine builders, home again with your family.
